Youth is not a time of life - it is a state of mind; it is a temper of the will, a quality of the imagination, a vigor of the emotions, a predominance of courage over timidity, of appetite for adventure over love of ease.

Nobody grows old by merely living a number of years; people grow old only by deserting their ideals. Years wrinkle the skin, but giving up of enthusiasm wrinkles the soul. Worry, doubt, self-distrust, fear and despair - these are the long, long years that bow the head and turn the growing spirit back to dust.

Whether you are seventy or seventeen, there is in the heart of every human being the love of wonder the sweet amazement at the starlike things and thoughts - unfailing, childlike, fresh appetite for what is coming next - and the joy and the game of life.

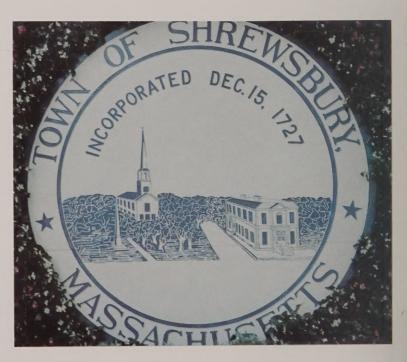

You are as young as your faith, as old as your doubt; as young as your self-confidence, as old as your fear; as young as your hope, as old as your despair.

So long as your heart receives messages of beauty, cheer, courage, grandeur, and power from the earth, from man and from the infinite, so long you are young.

IN THE PAGES OF TIME, OUR YOUTH'S STORY LIES HERE

During September of our Senior year the town of Shrewsbury celebrated its 250th anniversary. We, the 1978 Yearbook Staff, felt it fitting to dedicate these four pages to the celebration.

As Shrewsbury enters its 251st year, we as Seniors shall graduate from high school and move on to a new world. We must remember that as we grow older we must still remain young at heart.

Although our town has seen many years, it is still growing and remains young because of new ideas and innovations. We as graduates must share our newly gained knowledge and accept every challenge that may confront us. We must remember that we are as young as our faith, as old as our doubt. Yes, we are the Youth of Shrewsbury, and we must remain young forever.

The Class That's

Great is '78

Although we separate from here, it's the memories of our youth that will always draw us together.

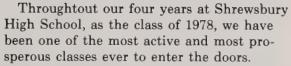

As freshmen, we planned and carried out a Christmas bazaar which turned out to be a huge succes for us in raising profits. Our class trip in our freshmen year took us to Paragon Park and Nantasket Beach.

Following this in our sophomore year, we held another Christmas bazaar and a spaghetti supper.

As juniors, we ventured to Rocky Point. These and other smaller activities served to promote unity in our class, a quality enabling us to graduate with many accomplishments behind, promising future success for us all.

Miss Creedon

Mr. Workman

Throughout our four years at Shrewsbury Senior High School, our four class advisor's have been the backbone in all of our functions. Helping organize the events and chaperoning them, they have always been present and ready to work. Miss Creedon, Mr. Workman, Mrs. Bannon, and Mr. Cote the class of 1978 sincerely appreciates all that you have done. We thank-you.

Mr. Cote

WE, THE GRADUATING CLASS OF 1978 SINCERELY DEDICATE THIS YEARBOOK TO MISS CONSTANCE CREEDON

During our past four years at Shrewsbury High, never has a class been as lucky and fortunate as ours. Bringing back class spirit and school respect, and keeping it alive day by day, Miss Creedon has

been the leader and go-getter of it all. Having her as one of our class advisor's, the Class of 1978 would like to take this time to honor and thank sincerely Miss Constance Creedon.

Not only are we proud to have her as our class advisor, but also as a member of the faculty. Besides her duties as a teacher, Miss Creedon devotes many long hours to clubs and organizations, putting spirit and enthusiasm into everything she does. Among activities to which she has contributed valuable ideas are the Freshman Year Bazaar, spaghetti supper, and class trip. In our sophomore year, Miss Creedon helped us hold a second bazaar, and as juniors, she took us on another class trip and helped us with the Junior Prom. At sports activities, she has shared in thee excitement of victory and boosted our spirits when we lost.

Devoting all of her time towards making people happy and feeling like someone special, Miss Creedon herself is a very special person and a true friend to the Class of 1978. For everything that you have done for us as a class and as an entire school body, we sincerely appreciate it and thank-you greatly. Miss Creedon you, yourself are a very special person.

SUPERINTENDENT OF SCHOOLS

Mr. Irving H. Agard

Irving H. Agard

At this time in our lives - as we close one chapter and embark upon new adventures- we reflect upon our past achievements and look ahead to those goals yet to reach. We, graduating seniors, may join Mr. Irving H. Agard, retiring superintendent of schools, in a celebration of years gone by.

In his career, Mr. Agard has provided for the youth of Shrewsbury many opportunities to seek, discover, and explore in a unique educational system. This year's graduating class is one product of Shrewsbury's fine school system, over which Mr. Agard

has for many years supervised.

Prior to his position in Shrewsbury schools, Mr. Agard was a teacher and coach at David Prouty High School, Spencer, principal of Leicester Center School, and then of Wilbraham Memorial Junior High School. He served as superintendent for Wilbraham, the Hampden-Wilbraham Regional School District, the Wachusett Regional School District, and School Union 64, before being appointed Shrewsbury Superintendent in June, 1969.

While serving as superintendent of Shrewsbury schools, Mr. Agard introduced many innovations which greatly improved the school system. Mr. Agard was a catalyst for the Flexible Schedule/Extended Day Program, launched in September, 1972, which solved the problem of overcrowding educational facilities as well as provided new educational opportunities. This was accomplished with a 4-day school week; an extended day class schedule offering MORE and A GREATER VARIETY of courses for students; a flexible schedule, whereby regimented four-year programs were replaced with combination required and elective courses; and the Career Opportunity Experience, a program giving students the opportunity to volunteer at jobs geered to their interests on their fifth no-school day. The Flexible Schedule/Extended Day Program was a pioneer program which has proved to be an outstanding success, greatly enhancing the education of all Shrewsbury High students.

Mr. Agard has served as Shrewsbury School Superintendent through many of the Class of 1978's school years. Mr. Agard and the Class of '78, although in different ways, have both grown WITH and FROM the Shrewsbury educational system. We, as students, have been brought NEARER to our positions in society; Mr. Agard, as Superintendent of Schools, HAS ACHIEVED

excellence in a career.

The School Committee, teachers and students of Shrewsbury schools - especially the Graduating Class of 1978 - extend many thanks to Mr. Agard for his many innovations to the Shrewsbury school system; for his many years of service in Shrewsbury as Superintendent of Schools.

With only two returning Varsity runners back this season, the Boy's Cross-Country team found themselves in a rebuilding year. Whether win or lose Coach Warren's team showed, as always, a lot of class.

In only their second full season of competition, the girl runners enjoyed a tremendous season, posting an 8-1 record. The team's only setback was a defeat at the hands of a tough X Maynard squad. With great pride and effort the gals finished second in the Midland League and qualified for the District III Meet in Gardner.

Midland League 14-0						

1978 was the year for the SHS Girl's Basketball Team. Led by Coach Webster and Captain Martha Morrison, the team became Midland League Champs. These girls wanted to be the first girl's basketball team at SHS to go undefeated in their league. After thirteen straight league game wins they faced Milford High. After 37 points, gym-burned knees, bruised elbows, and 32 minutes of grueling basketball, the SHS Girl's Basketball Team became the first in SHS history to go undefeated in the league.

This is just one record that was broken at SHS in the 1978 season. Peggy Holdash and Martha Morrison broke individual and school records by hitting 33 and 34 points respectively. The team had 78 points in two of their games breaking the record of 75 points scored in a game. Another record was the career total of 1,000 points by Martha Morrison.

The Colonials still have to play in the Districts of 1978 and they go in with a good chance of winning. Everyone wishes them the best of luck in the playoffs.
